Dear Parents & Staff,

We are excited to announce the selection of Noehmi Garcia Jauregui as the new Principal of St. George Parish School, effective July 1, 2019.

Ms. Garcia Jauregui is no stranger to the St. George parish community. She was raised in Stockton and was a parishioner of St. George and St. Gertrude parishes until she moved to Los Angeles to attend UCLA.

Along with 13 years classroom teaching experience, Ms. Garcia Jauregui holds two California credentials: Administrative Services and Single Subject in Biological Science. She has earned a B.S. in Organismic Biology, Ecology, and Evolution and a Masters in Education in the field of Urban Education. Additionally, she holds three certificates: a BCLAD authorization in Spanish, an Online and Blended Learning certificate, and another as a Common Sense Educator. Ms. Garcia Jauregui is currently working in a high school in Los Angeles and is the coordinator of several programs, including Gifted & Talented, Title One, Testing and English Learners. She is bilingual.

Please join us in welcoming her as the new Principal of St. George Parish School. She is excited about the opportunity to work in St. George Parish School, where she is able to combine her two passions: teaching and faith.

I'd like to also extend a sincere thank you to the parents, staff and SAC members who served on the interview committee.

Blessings and peace,

Fr. Martin García
